

iDude Haulers know how stressful that move day can be. For those without vehicles, transportation or even friends (you know who you are) it can be a real hassle to just live! But it doesn't have to be. When you team up with an iDude Hauler, you are getting the benefits of a real car (or friend)! We are an unlicensed ragtag team of iDudes that will get your stuff from point A to B in no time flat! We guarantee dedication to providing you with our best service known to man!

OUR PROMISE – We at iDudes Haulers provide you with local services that not only cut on cost, we are pretty much desperate for work! With a combined 99 years' experience worth of being yelled at to move our own crap, we know your satisfaction should be guaranteed!

(warning: We do not guarantee satisfaction.....but we do appreciate it. Also we do not come with a Dolly, please provide Dolly)

HOURLY LABOR SERVICES – Want only a few boxes moved? Or our whole crew to help dismantle your grandmas' prize china hutch?\* iDude Haulers have got your back! Get your Free Quote Today!

(seriously, you brought your grandmas' china hutch? Why? Please, for the love of everything holy, just don't)

PACKING AND UNPACKING SERVICES – we provide professional packing for all of your items! Want to just chill and make us do it? GO AHEAD! SEE IF I CARE!!! (do it, we dare you) (NEW LINK) Packing up your entire apartment can be time consuming and tiring. We are desperate for any sort of job so do we care? ABSOLUTELY NOT! We rejoice at the prospects of lowering your work load, we are just that awesome! We'll create a custom plan for your packing needs. Our services include

- Single item: SURE!
- Fragmented Packing: Sometimes you only need a room or a few boxes moved, we guarantee to make the move transition as smooth as possible.

- Full Susan Service: You want your whole room dismantled and packed into your new place? By golly, we have you covered! We'll even take care of the trash\* (note: we are required by law to report any bodies/drugs/dog fights).

Moving boxes and supplies: You don't have boxes? NO PROBLEM! Ask about our supplies package and we'll come fully equipped with bubble wrap, saran wrap, packing tape, and moving boxes! We can pack everything or help with moving only. Our hourly labor is custom to your needs alone!

Moving package: We offer a variety of junk moving boxes! Want to do it yourself or have an iDude helper help you, we have the supplies to make that happen. Our supplies is guaranteed to last the transition\* (we cannot guarantee satisfaction though...). All of our boxes were made in a factory where employees are hired daily! No GMOs, harsh chemicals or blood are used in our boxes, although we cant speak for the animal testing! (picture of cat in box) \*(seriously, no animals are harmed in the making of our boxes)

What we provide: Tape – seriously, it's just packing tape, no need for that expensive crap.

Boxes – Other than coming in a variety of sizes, we've been over this, they are boxes. Nothing more, nothing less. If you want, we'll throw in a tiny box for a keep sake to remember us by.

Blankets – originally meant to keep you warm, now meant for protecting your bulky china hutch.

Seriously, get rid of that thing....

Sticky labels – sometimes you have so much crap that things get lost in the monotonous kingdom of boxes of crap that you need to fill the void. With labels, you can now find that item that will bring the happiness that you how been oh so searching for to replace the blank abyss of nothingness that seems to grow with every passing second of everyday.

Expert packers – We have been doing this for at least 5 weeks, we know a thing or two about hauling your precious “stuff”. We offer what no one else can: (Picture of Isaac) Yes, with every package we offer, we include the Isaac promise that he will be there to help with as little effort as possible. No one knows packing like Isaac. (pic of Isaac dropping stuff) (note: Isaac is in the premium package pack only, my mom said he had to come with me to watch him, so he doesn’t get into the detergents under the sink, so he is included in all packages until she gets home from her night job.)
